Re: DFARS Case 2004-D010

Dear Ms. Williams:

The California Institute of Technology (Caltech) submits this letter in response to the Department of Defense's proposal to amend the Defense Federal Acquisition Regulation Supplement (DFARS) published in the Federal Register on July 12, 2005 (DFARS Case 2004—D010). Caltech appreciates this opportunity to provide input regarding the proposed changes.

Caltech is a member of the Council on Governmental Relations (COGR) and the Association of American Universities (AAU). Both organizations have submitted comment letters to you on the proposed DFARS changes. Caltech shares the concerns expressed in those letters, and supports and endorses the recommendations submitted by COGR and AAU.

Sincerely yours,

David Baltimore
