Subject: Response

The National Indian Business Association (NIBA) represents 24,000 American Indian and Alaskan Native owned businesses. NIBA supports the proposed amendment of the DOD American Indian Incentive Program specifically the rule amending the DOD/DFARS to implement a provision of the FY 2001 Defense Appropriations Act that provides for incentive bonus payments to DOD contractors and Native American Sub-Contractors at any tier that use Indian organizations and Indian Owned economic enterprises as sub-contractors,

Pete Homer
President/CEO
