Dear Ms. Schneider:

We have reviewed the proposed Defense Federal Acquisition Regulation Supplement (DFARS) Case No. 2002-D023, "Follow-On Production Contracts for Products Developed Pursuant to Prototype Projects," and we have the following comment.

We recommend correcting the reference in Section 206.001(S-70)(2) from "(see 32 CFR 3.9 (c))" to "(see 32 CFR 3.9 (d))".

DFARS Section 206.001 (S-70) (2) addresses the information that the contracting officer must receive from the prototype project agreements officer and project manager in order to except a follow-on production contract from competition requirements. The documentation requirements are found in 32 CFR part 3, Sec.3.9(d).

Thank you for the opportunity to comment on the proposed rule. If you have any questions, please contact Janet Stern at (703) 604-8755.
